# LOVIS

LOVIS ist immer gut für eine positive Überraschung. Jedes Knäuel ist ein Unikat. Dank der unglaublich weiche Griff, welcher dem extrafines 19,5 Mikron Merino zu verdanken ist. Selbstverständlich mulesing frei. Und nicht zuletzt die lockere Verspinnung, welche dem Dachtgang den watti-weiße Effekt und das Volumen beschert.  
100% Scharwolle (Merino extrafine) färbt, mulesing free  
ca. 170m/50g NN 4.5-5

LOVIS se porte toujours là pour une bonne surprise. Chaque pelote est unique. Il pais, il y a ce toucher incroyablement doux que l'on doit au mérinos extrafin de 19,5 microns. Bien sûr sans mulesing. Sans oublier le retors tout en souplesse qui donne à ce fil mèche un effet coton et de volume.  
100% laine vierge (merino extrafine) finition anti-feutrage, mulesing free  
env. 170m/50g NN 4.5-5

LOVIS is always good for an exciting surprise. Each ball is unique. Then there is the unbelievably soft handle, because of the extrafine 19.5 micron merino. Mulesing-free, of course. And last, but not least, the lax twist which gives this wick yarn volume and a fleecy-salt effect.  
100% virgin wool (merino extrafine) anti-felting-finished, mulesing free  
approx. 170m/50g NN 4.5-5 (US 7-8, UK 7-6)
